WORK EXPERIENCE

Architect, designer

Janna Kiseleva Lab (2013-2014)
jannakiseleva.com

Implementation of draft projects, development of design projects for apartments, a chain of shops and cafes, restaurants, as well as the architecture of a private cottage and a guest house at the hotel. Creation of collages, 3d visualizations, models in Sketchup. Making technical drawings for projects together with the chief architect. I have little experience in creating technical drawings of furniture.

Philomena Kloss co-founder, product designer, SMM, photographer

philomenakloss.com (2012 - 2022)

Philomena Kloss is my first business and part of my life. This is a huge experience in creating and maintaining a brand that has become known in Ukraine and abroad.

My main tasks at Philomena Kloss:

- Character creation, sample development and final design
- Selection of fabrics, work with textiles
- Development of patterns, tailoring of samples
- Image shooting, product photography
- Retouching and editing photos for the website and social networks (Photoshop, Unfold, Snapseed, VSCO, InShot..)
- Creation of content for social networks (photo, video, animation)
- Creation of a site on the Vigbo platform, site maintenance (philomenakloss.com)
- Creation of an Etsy store, maintenance, promotion
- Maintaining a Pinterest business page
- Maintaining a Facebook business page, connecting a store
- Maintaining the Instagram business page @philomena_kloss
- Communication with foreign clients
- Communication with foreign stores
- Create invoices, receive payment
- International shipping orders

Decorator Assistant

In the team of Anna Bakhonko (since 2021)

Creation of installations for showcases and shop interiors, showrooms, restaurants and beauty salons. Projects: Invogue group, Suke (restaurant, Odessa), Silence (coffee shop, Odessa), Nikitochkin (hair salon, Odessa), Gallery Opera (boutique, Odessa), G-Bar (beauty salon network, Kiev)

Architect, designer

In the team of three architects

Development of interior design for an apartment of 51 square meters. I create planning solutions, collages, color scheme for apartments. The technical drawings and the lighting scheme will be performed in Archicad, as well as 3d max visualization
